OUR TECHNOLOGY

EBIZCHARGE™ PAYMENT GATEWAY

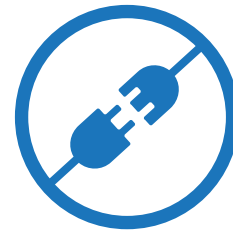

Simple

With a simple and intuitive user interface, eBizCharge™ is designed to make it easier for business users and finance managers to process payments, access transactions history, and build custom reports.

Secure

PCI DSS - Compliant with the latest industry standards
Cloud Based Data Storage - Card info stored off-site for maximum security
Encryption & Tokenization - Protecting data in-transit and at rest

Smart

eBizCharge™ can integrate with a number of ERP/Accounting systems and e-Commerce shopping carts, making it a comprehensive and cost effective solution for all your processing needs.

OUR CLIENTS

WHAT THEY HAVE TO SAY...

"We have integrated their service with both our accounting software and our website. Their web interface has made our job so much easier and has allowed us to increase our customer service to our customers. They excel in both customer service and ease of use!"

Paula V.

"It was easy getting it started... the integration was very seamless. It just took a few minutes, and there were no issues there. It has all the functions that we need."

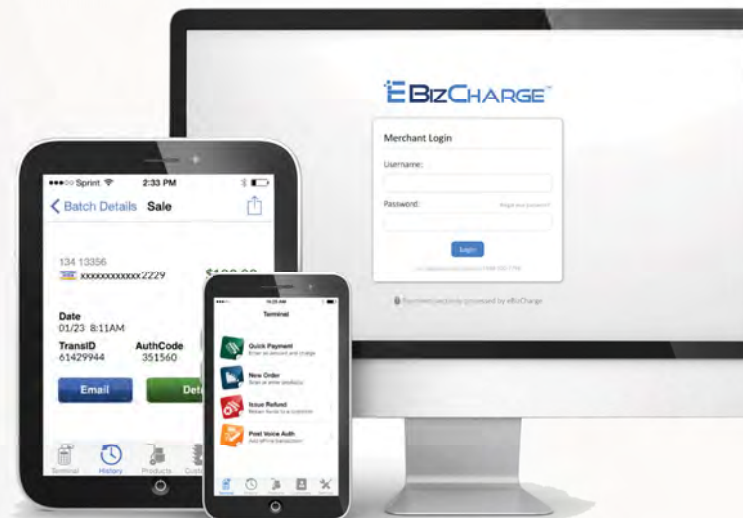

Richard N.

"I would recommend eBizCharge™. It is very user friendly. I can easily credit customers, easily do charges, and find reports. eBizCharge™ has really great functionality."

Elizabeth

MEMBER OF FIRST DATA'S PRESTIGIOUS PRESIDENT CLUB

Century Business Solutions is proud to be one of the top-performing and growing merchant credit card processors on the First Data network.

"We switched to Century Business Solutions a few years ago and have never looked back. I have worked with a lot of different merchant companies over the past several years, and CBS has been the best experience thus far. Bottom line is, these guys are legit and trustworthy. They aren't one of these fly by night processing companies that will hold funds."

Richard B.

WORLD CLASS SUPPORT TEAM

FREE, UNLIMITED 24/7 IN-HOUSE

"Software is tops in the 'User Friendly' category. Highest kudos to their customer service reps, techs and management. Always available."

Catherine N.
